Complaint summary

On Feb 26th 2018 around 5 pm my bag with my laptop was stolen from the coffee shop: Queen Street Common Cafe on 43 Queen St S, Kitchener, ON N2G 1V8. The laptop contained scans of my passport, drivers license, birth certificate, tax returns with my SIN number and also had bank statements with bank account details.

I immediately changed the passwords on my email accounts and on Feb 27th I got a notification on my phone about an attempt to recover my email password from my stolen Macbook Air. This indicated to me that someone had managed to break through the laptop's password and was attempting to breach my email account. As the person demonstrated an intention to gain access to my email accounts I suspect they could do much worse with the scanned copies of my IDs.
